#### **EXPERT TOPICS**

#### **5 Ways Entrepreneurs Can Ally With Their Anxiety Monster and Soar to Success.**

Entrepreneurs are too often stuck in neutral gear, hindered by their anxiety and doubts. Let's get them beyond their own inner boundaries and move to a whole new world of positive opportunities by aligning with their anxiety monster.

Anxious entrepreneurs will receive guidance on how to transform anxiety into an asset to achieve success. We would focus on 5 ways to generate anxiety reduction as well as develop communication skills in the areas of networking, sales, and leadership.

Entrepreneurs/entrepreneurial organizations will find their path as a confident leader and speaker for their company and move toward prosperity.

"I saw Michael's presentation. I was inspired by his brave description of his own difficulties with burnout and anxiety and how he found his purpose in helping others overcome self-doubt. Michael's talk was immediately engaging and moving. I recommend hiring Michael as a speaker to inspire generosity and courage." -Tim H.

#### **Build Your Introvert Superpowers to Gain New Clients**

Introverted entrepreneurs can harness their amazing communication skills to lead confidently and gain new clients.

We would focus on 5 ways to build introversion superpowers to gain new clients as well as provide clarity about what an introvert is and how introverts best operate as an entrepreneur.

Introverted entrepreneurs will become expert communicators and use their introversion powers to yield flourishing results for their company.

"I loved the perspective that many introverts are performers and have nothing to do with being extroverted. A lot of good insights and perspectives." - Sage G.

#### Command the Crowd and Connect Like the Confident Entrepreneur You Are

Entrepreneurs will learn how to build their public speaking skills to thrive as a networker and leader of their businesses.

We will also focus on public speaking skills and key pieces to speaking with confidence toward business growth in areas of networking and sales.

"The program had so many practical techniques, tips and tricks to improve in public speaking." - Gihan R.
